Academic Positions

Lecturer in Nanomanufacturing

University College London, London, United Kingdom 1 Jun 2022–present

Degrees

MSc Chemical Engineering

Poznań University of Technology, Poznań, Poland

MSc Laboratory Medicine

Poznań University of Medical Sciences, Poznań, Poland

PhD in Physical Sciences

Adam Mickiewicz University in Poznań, Poznań, Poland

Postgraduate Training

PDRA

University College London, Electronic & Electrical Engineering, London, United Kingdom 15 Mar 2019–31 May 2022

Postdoctoral Research Supervised by Papakonstantinou IP

PDRA

Argonne National Laboratory, Biosciences Division, Lemont, United States 29 Feb 2016–28 Feb 2019

Postdoctoral Research Supervised by Laible PDL

Fields of Research

- Physical chemistry
- Materials engineering
- Nanobiotechnology
- Chemical engineering
- Mechanical engineering
- Nanofabrication, growth and self assembly
- Nanomanufacturing
- Nanomaterials
- Microbiology
